On Thursday, April 22, 2021 employees of Matheson Tri-Gas in Chambersburg, PA and Frederick, MD voted unanimously to be represented by Teamsters Local Union No. 992.

“These are two (2) good organizing victories for Local Union 992,” said Secretary-Treasurer, Tom Krause. “These victories are a tribute to these new members as well as the in-plant organizing committees at each facility who worked very hard throughout these organizing campaigns to make these two victories happen. These employees remained strong and focused throughout the organizing drive, and these employees clearly want a voice on the job. These employees stood up for what they truly believe in.”

I want to personally thank Secretary-Treasurer, Luke Farley from Teamsters Local Union No. 175 and President, Ed Thompson from Teamsters Local Union No. 776 for their help and assistance.

Nationally, the Teamsters Union already represents a significant number of Matheson Tri-Gas employees at various locations throughout the country.

Preparations to negotiate a first contract at each facility will be made once the elections have been certified by the National Labor Relations Board.
